Announcing Our Policy for 1923

It is nearly four years since we embarked in the hardware and implement business in Jasper, and notwithstanding the small measure of success we have attained, we are duly grateful for the friendship of all our customers from the beginning.

We were both inexperienced in business and market conditions were uncertain and fluctuating so we no doubt made some mistakes, but we are glad that our friends know that they were mistakes of the head and not of the heart.

It is our purpose during the year 1923 to continue our policy of carrying only the best lines of merchandise we can buy, guaranteeing each and every article by an exchange or your money back, and giving you cheerfully the best service at our command.

We court a fair share of your business and especially your friendship. This firm appreciates a Good Will above everything else.

Having exchanged Christmas greetings each year with Mrs. Beatie Lindley, we of course sent one this year, only to receive a letter from Mr. Lindley telling of her sad death July 23. She was only sick 9 days and the day before her death she was thought to be so much better and was able to be up, but she very suddenly changed for the worse and died in a very short time. Mrs. Lindley was better known here as Miss Bessie Bartlett, having taught several terms at Blue Star. She had a wonderfully sweet disposition and was liked by all who knew her. It was while teaching the Blue Star school that she united with the Christian Church in Jasper. Mrs. Lindley leaves a husband, 2 little sons aged 8 and 5 years and a little daughter aged 3, besides a host of other relatives and friends. We join her many friends here in extending our sincerest sympathy to the bereaved ones.

We wish you

A Merry Christmas

and a

Happy and Prosperous
